Grant Ref :GR/S98139/01

Dear Professor Bundy:

**FINAL REPORT - GR/S98139/01**  
**Grant Title: Automated Analysis of Security Critical Systems**

The Final Report for GR/S98139/01, which you helpfully submitted on 04/12/2007 following the completion of the research, has now been reviewed. A summary of the outcome, which stems from the comments of reviewers, from your self-assessment and the judgement of the panel, is shown below:

<u>Criterion</u>	<u>Final Assessment</u>	<u>5-box Rating Scale</u>
Research Quality	Internationally leading	Unsatisfactory to Internationally leading
Research Planning and Practice	Internationally leading	Unsatisfactory to Internationally leading
Potential Scientific Impact	Internationally leading	Unsatisfactory to Internationally leading
Quality of Training and Experience	Outstanding	Unsatisfactory to Outstanding
Communication of Research Outputs	Outstanding	Unsatisfactory to Outstanding
Potential Benefits to Society	Outstanding	Unsatisfactory to Outstanding
Cost Effectiveness	Outstanding	Unsatisfactory to Outstanding

**Overall Assessment : Outstanding**

For your information, copies of any assessor's comments not already sent to you are enclosed.

Yours sincerely

Dr Matthew Davis
